## JUNE MEETING

Our June meeting is June 21 at Rim Country Health & Retirement Community, 807 W. Longhorn Rd. Social time, refreshments, and Show & Share session starts at 6:30 with presentation at 7:00 pm.

Our presenter for June is Tanya Lambrecht. Tanya spent her youth surrounded by internationally acclaimed artists. Her mother, Pat Lambrecht Hould, an international art educator and professional artist, conducted art seminars throughout the US. Tanya's early artistic influences grew thru contact with many acclaimed artists. As Tanya's passion for the arts developed she realized her goal in life was to be an artist. Tanya received her degree from the Colorado Institute of Art in graphic design, then went on to work with ad agencies and ultimately opened her own graphic design studio. With extensive background in photography Tanya also worked as a master printer; between design and photography her love for creating only grew till she made the decision to relocate from her home in Montana to Arizona where she began painting professionally. Her work is transitional and ever changing with a bold desire to express her inner feelings. She prefers mixed media with a variety of textural and visual techniques to create her often abstracted imagery. Using various textures incorporated with gold leaf, Tanya creates rich opaque fields and luscious transparent colors. Join us to watch her demonstrate some of her techniques.

One page is still \$800. If you want less, you can go with my Gallery for \$400 a half page or \$200 for a fourth. The deadline is June 24.
